Position Title: Textron Leadership Development Program: Integrated Supply Chain
Department: Textron Inc.
Reports to: Business Unit/Corporate Program Manager

Job Summary:
The Textron Leadership Development Program: Integrated Supply Chain (LDP:ISC) is designed to create an accelerated path to Integrated Supply Chain projects and processes across the Textron enterprise for a select number of high-potential external candidates. The program will require a 24-month commitment with four rotations between selected business units approximately every six months.

Program benefits include visibility to high-level enterprise Integrated Supply Chain leaders, on-the-job and formal training, as well as exposure to and work experience at multiple business units in different functional areas. Candidates will develop a strong ISC foundation and acquire leadership skills, project management experience and cross-functional process knowledge. Selected individuals will have the opportunity to experience career growth in a challenging environment, and establish a network of peers and mentors. In addition, the candidates will gain exposure in various Integrated Supply Chain areas such as procurement, operations, quality, continuous improvement, environmental health and safety, and logistics.

Requirements include: a bachelors degree in supply chain, engineering or related field, a passion for learning and geographic mobility.

Additional Qualifications:
- Must have a passion for Integrated Supply Chain
- Ability to relocate while on 24-month program
- Strong communication skills
- Global mindset
- Action and result oriented
- Resourceful/problem solver
- Able to quickly adapt to change
- Self-confidence and initiative
- Lifelong learner

LDP:ISC Program Benefits:
- Experience career growth in a challenging environment
- Establish a network of peers and mentors
- Develop your talents in a culture that recognizes and rewards excellence
- Gain exposure to multiple business units and Integrated Supply Chain areas

Potential assignment locations include:
- Augusta, GA, E-Z-GO
- Fort Worth, TX, Bell Helicopter
- Hunt Valley, MD, AAI
- Rockford, IL, Greenlee
- Wichita, KS, Cessna
- Troy, MI, or Avilla, IN, Kautex
- Williamsport, PA, Lycoming
- Wilmington, MA, Systems
